Dear Parents,

The following are the school and child care immunization requirements of the New Jersey State Department of Health for all children in schools and child care centers. These shots are required before the start of school. If your child does not meet these requirements, please make an appointment with your physician.

1. All children entering Pre-Kindergarten are required to have the following:
 - **Four doses of Diphtheria-Tetanus-Pertussis (DTP).**
 - **Three doses of polio virus vaccine.**
 - **One dose of Varicella,**
 - **One does of MMR**
 - **Annual Influenza**
 - **Pneumococcal conjugate vaccine series, Hib and Hepatitis B Series**

2. All children entering kindergarten are required to have the following:
 - **A total of five doses of Diphtheria-Tetanus-Pertussis (DTP)**
 - **A total of four doses of polio virus vaccine**
 - **Two doses of a measles containing vaccine (e.g. MMR, MR, or Measles).**

3. All children entering Sixth grade are required to have the following:
 - **One dose of meningococcal conjugate vaccine**
 - **One dose of Tdap.**

We would appreciate it if you would give us a copy of your child's immunization record at registration. If your child's immunizations are incomplete, please make and appointment with the Pediatrician and forward us a copy before September 2010 school year.

Sincerely,

ST. MARY'S SCHOOL NURSES
