

Introducing our New Online Lunch Ordering System! No more morning envelopes and exact change!

Now you can order your child's lunch online for the entire month!
Just go to the Parent Page on our website. www.smrschool.org and click on **LunchBuilder** button. You will need to create a family account using the school code: **118SMSNJNJ**. Once you complete that you will need to add your child's name to your account.

You will be able to order lunch for the entire month. Once that is completed you will be sent an invoice to the email address you provided. That invoice needs to be printed and sent in with your payment to the school office. Your account will be credited for the amount you send in.

Orders can only be submitted from the 20th till the 30th of each month. Once the 1st of the month starts you will not be able to order online. After that date all orders must be sent in on paper via your child's "Parent/Teacher Communication Folder".
