RE: **PM After School Program (Latch Key)**
& School Dedication Ceremony

DATE: September 9, 2009

The school will no longer be providing snacks for the PM after school program. If your child or children are enrolled in this program or you need to have your child/children attend at any time, please make sure you send a snack in with your child/children.

A separate flyer will be going home with details about the Dedication Ceremony on Tuesday, September 15th. Due to the Ceremony, lunch will not be served that day. Everyone should bring their lunch to school on that day. Again, this will be next Tuesday, September 15th.

Thank you.
