Dear Mr. Hogan:

Thank you for allowing our school to visit with your eighth grade students on Thursday, October 13th. We found each student to be very eager to hear about alternative high schools and anxious to begin the process of choosing academic areas which are necessary for successful high school and college careers.

As mentioned during our presentation, each of the girls has been invited to OLMA's OPEN HOUSE which is scheduled for Friday, November 11th, at 9:00 a.m. We ask that each student responds to her invitation on or before November 8th so that we have an accurate head count for the modest lunch we offer.

Also, we do invite parents, guardians and/or grandparents to OPEN HOUSE. Please encourage any families who may be interested in our school to register in advance. We also invite the eighth grade girls to visit OLMA for a "school visit day." This enables them to observe the daily activities, academics and social events happening each day at a high school. It is a wonderful learning opportunity.

Thank you, once again, for this opportunity to reach young women of your parish community. God bless you for your sincere dedication and hard work.

Sincerely,

A handwritten signature in cursive script that reads "Bonnie".
