

St. Mary's 2011/12 ~ Volunteer Sign-Up Sheet ~ Page 1

Want to help? Not sure how?

Well, these are some great ways to help out. From small to big – we're sure there is something here that fits your schedule.

Parent support is vital to the effectiveness of the overall school. Involving parents as volunteers helps strengthen our school. We encourage everyone to become involved. Time spent in the school can make a difference in the quality of programs provided.

Volunteers can serve the school in many capacities. We are always in need of volunteers in the cafeteria and especially the playground. For the safety of our children, we have a great need for volunteers at least two hours a week on the playground/café.

Thank you for sharing yourself and your time.
