

You make a difference!

If all 175 SMS families buy \$100 of grocery gift cards, every week, from now until June we would make **\$15,000 PROFIT!**

St. Mary School Tuition Reduction Incentive Program (T.R.I.P.)

We would like to thank everyone who participated in the program. This simple fundraiser does not cost any additional out of pocket money.

New this year, every participating family will receive 50% back of their profit raised for the school. We will be sending out individual family profit statements in the coming weeks. Listed below is the total amount raised to date compared to previous years.

<u>Previous Years</u>	<u>Program Sales Profit</u>
2008-2009 School Year	\$30,000.00
2009-2010 School Year	\$20,000.00
2010-2011 School Year	\$11,600.00
2012-2012 YTD	\$2,965.00

**We Can
Do It!**

2011/2012 School Year to Date Report

September-December 2011	\$5,642.34	Gross YTD Profit
	- (2,677.87)	Estimated 50% to families in June 2012*
	<u>\$2,964.47</u>	

Because of families getting back 50%, our school profit is lower this year. If we could get a higher participation, we could increase our profit and you would receive some extra cash!

Again, thank you for your support!

T. R. I. P. Committee

*This number reflects church sales which do not receive the 50% of the profit.
