

Dear Parents,

The yearbook team is currently laying out our 2011-2012 yearbook and we would like to introduce you to the new online service we are using this year. The company we are using is called Tree Ring. Posted below are links to flyers to help you get started with helping us build this year's yearbook as an online community.

Please take a minute browse the [Tree Ring Website](#) , watch the [Demo Video](#), and read the flyers linked below. This year you will have the option of building two custom pages about each of your children for their own yearbook! You will find step by step instructions on registration and creation of your custom pages in the flyers linked below.

If you have any questions please contact Mrs. Tarah Sawyer via email at tsawyer@smrschool.org.

Thank you,

The St. Mary's School Yearbook Team
