About the Cost of Your Child's Education at St. Mary Regional School, East Vineland

St. Mary Regional School recognizes the significant commitment you have made by choosing a Catholic school for your child. We thank you for entrusting us with your child's education and for being part of our school family.

The cost of a Catholic school education is shared by you, members of our faith community and others who believe in an education grounded in gospel values. This summary shows the actual cost to educate a child at St. Mary Regional School and the gap that must be filled in order to make that education possible.

You do not pay the full cost of your child's education at St. Mary Regional School.

Actual Cost Versus Full Tuition	
1. Actual Cost to Educate (ACE) per student	\$8110.18
2. Full published tuition for 2021-2022	\$5900.00
3. Gap (1-2)*	\$2210.10

*The gap for an individual student may be greater based on discounts for families with multiple students and/or needs-based tuition assistance.

About the cost and tuition

The "Actual Cost to Educate (ACE)" cannot be accurately calculated until after the close of a school year. As a result, the ACE shown above is for the 2021/22 school year. Tuition amounts shown above are for the current school year. Since the ACE typically increases every year, the gap will likely be higher once the ACE for the current school year is determined.

Funding the gap

Parishes in the Diocese of Camden support Catholic schools through the Inter-parochial Catholic School Fund (ICSF), a pooled resource that is allocated among the elementary schools each year. ICSF funds cover a portion of the gap; fundraisers and annual fund appeals, gifts and donations, and grants make up the difference.
